*Lake Inlet Restoration Project Update - Stevie Adams, The Nature Conservancy

*Closing Remarks

What does the HVA do?

The HVA's mission is to improve the quality of life for residents and lake users of Honeoye Lake and help protect the Honeoye watershed.

Listen, Communicate, Advocate to bridge the gap between multiple agencies and the residents of the watershed

Website, Email Blasts, Grapevine Newsletter, Facebook, Events, Member of the HLWTF

We are all seeing that issues we face are NOT unique to Honeoye Lake

What can we do as a community?

What can we do as residents in the watershed?

What can we do for our Lake?

Small individual actions can lead to a big impact on the health of the lake

HVA brings information from and to various groups and agencies

Federal agencies

Town Governments

NY State Agencies

Community organizations

Educational Institutions/
Not for Profits

Ontario County Agencies

Want to Learn More?

The Annual HVA Meeting will be held July 9 at 9am at the United Church of Christ (UCC) on Main Street

Please consider joining the
HVA!
