### **Annual meeting July 15<sup>th</sup> 2017**

1. Dan Lalonde for the Business meeting
2. Bruce Gillman will update on Cornell research program half hour to 45 min. with 15min. for Q&A.
3. Betsy Landry will bring us up to date on the weed harvester program and barge.
4. Terry Gronwell will give an update of information from H2O task force approx. 15min

### **Some Discussions**

JP and DC, at the end of the month Ken Klump and the plant survey should be available. DB focus on membership revitalization and some renews, also the possibility of getting the Honeoye Park association and the Times Union Tract to join the HVA.

### **Grapevine**

DB discussed eight pages front and back for the Grapevine. Our postage meter expired he looked into having the penny saver print and mail the Grapevine as a cost effective alternative to re instating our postal meter.

DB motioned for a budget proposal of \$250.00 to \$300.00 to print and mail the Grapevine with a \$500.00 limit to have financial room to make it happen. TG second, Ayes unanimous

TG provided information from the Finger Lakes Institute regarding small invasive species grant opportunity. This would be a reimbursement grant. TG motioned to approve the \$1,500.00 for the grant, DC second, Ayes unanimous.

### **TG, what are we championing**

Northside boat launch sign for clean and drain program.  
TG Motion to Adjourn, JP second, Ayes unanimous.

Next meeting of the Honeoye Valley Association will be Monday 6:30 pm May 15, 2017, held at the Honeoye Public Library
